Educational Qualifications

Ph.D. in Computer Science June 2025 – Present	Indian Institute of Technology Kharagpur
M.E. in Information Technology September 2023 – June 2025	Jadavpur University CGPA: 8.28
B.Tech in Electronics and Communication August 2018 – June 2022	Institute of Engineering and Management CGPA: 9.43
12th Standard, CBSE Graduated: 2018	Hariyana Vidya Mandir, Kolkata 81.6%
10th Standard, ICSE Graduated: 2016	Calcutta Boys' School 90.2%

Publications

- **Fake Profile Detection on Online Social Networks Using Machine Learning** [\[PDF\]](#)
Saptak Sil and Munmun Bhattacharya. Published in JoCAAA, 2025.
This work studies fake profile detection on online social networks using machine learning and deep learning techniques.
- **Detecting Profile Cloning on Online Social Networks with Machine Learning** [\[Springer\]](#)
Saptak Sil and Munmun Bhattacharya. Published in CICBA.
Focused on identifying and mitigating profile cloning threats in online social networking platforms.

Experience

Junior Researcher – 3D Computer Vision June 2025 – Present	IIT Kharagpur Kharagpur, India
Teaching Assistant – Data Structure Lab January 2026 – April 2026	IIT Kharagpur WB, India
Teaching Assistant – Data Structure Lab August 2024 – December 2024	Jadavpur University WB, India
Junior Software Developer August 2022 – September 2023	Cognizant Technology Solutions WB, India

- Worked on analysis, design, implementation, and support of insurance software engineering products.
- Conducted code reviews to ensure quality and adherence to coding standards.
- Tested applications after production release to identify and resolve issues.
- Reduced ticket size by 15%.

SKILL SET

Languages

C, C++, Python, Java

Machine Learning

PyTorch, NumPy, Pandas, Scikit-learn

Computer Vision and 3D Vision

Point Clouds, 3D Segmentation, Deep Learning

Achievements

- Contest Rating: **1470 @LeetCode**
- Gate Score CS(2023) - **307**
- Gate Score DA(2025) - **319**
